

WASHINGTON, Pa., July 16,-1t is likely that the Washington base ball club will be transferred to McKeesport, an old tri-state league town, within a few days, possibly to-morrow, though nothing definite will be known until nothing definite will be known until morning. Byron McKeewn and Man-ager Curran left for McKeeport this evening and if the indications are favor-able the team will be transferred. Mr. McKeown will still own the franchise wherever the club may be located. He does not intend to desert the inter-state league.

BASE BALL COMMENT.

Van Glesen will pitch for Toledo this afternoon. Like Borchers and Babb, he is from the late lamented Pacific league, Borchers will probably pitch for the Wheelings.

New Castle has released Manager Frantz and Short-stop Sowders. Sowders applied to Toledo for a job, but as Torreyson had already secured Babb there was no place open.

If the Washington team is not taken to McKeesport, New Brighton, in the Beaver Valley, would be a good place. That town has a good park, and there are 199,900 people within a radius of ten miles to draw from, including Roches-ter, Beaver Falls, New Brighton and other towns.

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. An Oll Strike.

An Oil Strike.

Oil has been found in paying quantities on the Stitt farm, a few miles west of Bellaire, where they have a well that is now pumping six barrels an hour. It is only pumped during the day, as the pipe line is not yet completed and this is all that can be handled. The operators and people in that vicinity are now convinced there is oil in abundance in that neighborhood and other wells will be put down at once. The encouragement is such at the flowing well that the oil men who also hold a lease on the Orr farm adjoining, have concluded to clean out an oid well on that farm that showed a little oil some years ago, and shoot it. They are at work upon it now and in a short time it will be known whether the shooting brings enough oil to justify pumping.

INTER-STATE LEAGUE.

Yesterday's winners-Toledo, Washington, New Castle, Youngstown.

ing inning the Toledo mani-pitched a masterly game and only two more safe drives were made by Wagher's men. For the locals, Baker pitched a fair game of ball, but the visitors seemed able to find his delivery when fults were needed to score runs.

The appearance of Babb in a Toledo uniform was received by the crowd with applause. It was clearly shown that the action of the Wheeling management in releasing this player was an unpopular move. Babb hit most opportunely, two of his hits bringing in runs. He also played a fine game at short, his brilliant playing being frequently applauded. Wagner was sent over to third and Violet played at second. These two players together divided four errors between them. This changing of positions is bound to result in nothing but disaster, and the sooner the Wheeling management gets together a team that will play steadily without change of positions, the better will be the showing of the team. Nothing breaks up a team so much as this element of uncertainty. In the first inning Wagner struck out and Shields was retired on a ground hit to Clifford. Violet got a base on balls and singles were made by Gallagher and Shaw, but the next man up. Whallag, retired the side, Beck to Clifford. In their half the visitors scored once.
